You can phone our helpline from 6am to midnight Monday to Friday and 9am to 4pm on Saturdays.

We will get someone who can help to call you back at a time that suits you.

Help if you have an accident or get hurt

If you have an accident or get hurt at work we can help, even if you are going to or coming back from work.

We have trained people who can help you get compensation - money to help with what's happened.
